

HW1: Due by 11:59pm, Aug. 31

27

- Goal: To test drive the Brightspace submission system
- Create a PDF document named **hw1-yourlogin*.pdf** which has:
 1. Your photograph and your name
 2. What is your interest in taking this course? Is there something specific you expect to get out of the course?
 3. Think of all the embedded systems that you have ever encountered or used. Put down a list of these (maximum of 10).
 4. Tell me one fun fact about you (could be a hobby, passion, like/dislike, funny/scary incident, ...)

[*Example: Since my login id is "vr", my submission will be named "hw1-vr.pdf"]
